

Algoma Power Inc. Awarded the "Safe Work, Sound Business Award"

Algoma Power Inc. (API) is honoured to be awarded the "Safe Work, Sound Business Award" sponsored by Sault Ste. Marie Safe Communities Partnership at the Sault Ste. Marie Chamber of Commerce Outstanding Business Achievement Awards held on Saturday February 18, 2017.

This award recognizes that Algoma Power uses a safe work management system, participates in workplace and / or community injury prevention programs and has low injury frequency and injury severity performance results.

Algoma Power accepts this award on behalf of all of our employees. "We recognize the relentless commitment and dedication employees have to safety when servicing our customers in the Algoma District. It is with this commitment to both our internal safe work practices and our public safety programs and events that we are all able to achieve such excellence," says Jennifer Rose, Regional Manager, Algoma Power Inc.

We would like to thank the Sault Ste. Marie Chamber of Commerce for hosting a great event.

As well, we would like to thank the Sault Ste. Marie Safe Communities Partnership for all the outstanding work they do for injury prevention interests and initiatives in Sault Ste. Marie. It is their mission to make Sault Ste. Marie and area, the safest place in which to live, learn, work, and play, by creating a culture instilled with safety, education and commitment to injury prevention.
